GLENDALE CELEBRATES 30TH ANNIVERSARY OF WATER CONSERVATION PROGRAM

Free Celebration, Activities, and Prizes

GLENDALE, AZ – The Glendale Water Services Department's Water Conservation program is celebrating 30 years of working with the community to save water, one of our most precious resources. Please join us as we celebrate the anniversary with families at the Glendale Main Library (5959 W. Brown St.) on Wednesday, December 2 from 4-6 p.m.

Coordinated by the Glendale Water Services Department – Conservation and Sustainable Living Division, the free event will include the following family-friendly activities:

- 4:00 to 4:45 p.m. – A water conservation-themed magic show called *Guardians of the Desert* with Hydro the Magician, who will make snow grow and water disappear!
- 4:45 to 5:30 p.m. – Hands-on water education activities and crafts, including make your own watershed and water cycle bracelet.
- 5:30 to 6:00 p.m. – Selfies and birthday cake pops with 'Wayne Drop', the official mascot of the *Water - Use It Wisely* campaign.

Attendees will receive free refreshments and eco-friendly prizes, such as a high-efficiency showerhead, garden hose nozzle, four-pack of CFL's, and programmable thermostat. Children will receive a free school supply kit that contains a pencil, eraser, pencil sharpener, and ruler. The kits and prizes will be distributed at the end of the event and will be made available on a first-come, first-served basis.

The event is free, but advance registration is required by calling 623-930-3550 or emailing greenliving@glendaleaz.com. For more information, visit www.glendaleaz.com/waterconservation.
